

Datathon Bangladesh 2019

Terms and Conditions

Introduction

Robi

Robi Axiata Limited (“Robi”) is the second largest mobile network operator in Bangladesh with 46.88Mn subscribers as of the end of December 2018. It is a subsidiary company of the Asian telecom giant, Axiata Group Berhad, based in Malaysia.

Robi is the first company to launch 4.5G services in all 64 districts of the country on the same day as the 4G launch in Bangladesh itself. By the end of 2018, Robi has created the largest 4.5G network of the country with nearly 7,400 sites covering 99 percent of the thanas of the country.

Axiata

Axiata Group Berhad (“Axiata”) is one of the leading telecommunications groups in Asia with approximately 350 million subscribers in eleven countries. In pursuit of the vision to be a New Generation Digital Champion by 2020, Axiata pieces together the best in the region in terms of innovation, connectivity and talent. With a diverse portfolio in mobile network, communications infrastructure and digital services, Axiata, through the operating companies, offers a range of innovative telecommunications products and services.

Datathon Bangladesh 2019

Robi is holding the Datathon Bangladesh 2019 competition at the Robi Corporate Office, supported by Axiata Analytics which aims to build capacity and talent in the field of data sciences and analytics (“Datathon”) in Bangladesh. The Datathon is set to be Bangladesh’s largest Datathon to date.

The timeline for the Datathon is as follows:

Stage	Timeline	Description
Phase 1	25 th March	Participants to submit an application individually and participants to complete an online assessment for only once.
Participant selection	16 th April	Axiata to complete selection of Participants and notify the shortlisted Participants only.
Datathon	19 th – 20 th April	Datathon “hackathon” weekend ending with Final Presentation by Participants.

Robi Axiata Limited reserves the right to vary, postpone or re-schedule the Datathon timelines or any dates thereof at its sole discretion. Also all properties coming out including photos, credentials and others in relation to this Datathon shall belong to Robi and Robi reserve the rights in using the photos, images, credentials and other stuff in respect to Datathon for any future purpose. Robi also reserve the rights in selecting the finalists/winners for the Datathon. Robi’s decision shall be final and conclusive regarding this Datathon and which is also similarly applicable in interpreting any terms and conditions. Any misrepresentation may lead to disqualification of the participation in the Datathon.

Competition Structure

The Datathon is designed as an intense 24-hour long competition and is also intended to provide a platform for top Bangladeshi talent, data scientists and enthusiasts to show how their data-driven insights and business solutions can create real impact on the everyday lives of citizens of Bangladesh.

The Datathon will test teams' application and knowledge of data modelling and business acumen. The participating teams are required to solve problem statements and propose their own model. The teams are expected to build predictive models and develop business solution based on the data provided.

Judging criteria

By submitting an Application individually and continuing to participate in the Datathon, the Participant agrees to be a "Participant" in the Datathon and be governed by the Terms and Conditions herein. Final selected Participants shall be required to do the following:

- (a) Attend the 24 hour continuous Datathon "hackathon", where 5 teams will be selected to present their outcome/solution/algorithm with its results, discoveries and solutions to a panel of judges ("**Final Presentation**"). Amongst the 5 teams, 3 teams will be selected as winners and 4 participants will be selected as individual winners (each a "**Winner**", collectively, "**Winners**").

The Final Presentation will be judged based on the following criteria:

1. Transforming the Business Goal to a Machine Learning Goal
2. Data preparation and manipulation
3. Data modelling/engineering
4. Data Pre-processing
5. Feature Engineering
6. Model Evaluation
7. Creativity
8. Validation and presentation

Winners will be selected by Robi Axiata Limited in its sole discretion and they must have conformed to the Terms and Conditions. Robi's decision with respect to the Winners shall be final and no queries and/or appeals thereof will be entertained.

Eligibility

The Datathon is open to all aged 18 and above and who are citizens of Bangladesh. All backgrounds, whether data scientists, programmers, data journalists, data community activists, or IT project managers are welcome to participate.

Conditions

1. The Participant will arrange and obtain respective accommodation and transport throughout the Datathon. Robi is only providing resting area and bean bags throughout the Datathon.
2. The Participant will obtain and use respective laptop or device during the Datathon. Participants are encouraged to use respective resources to complete the tasks given at the Datathon. Google Cloud (“3rd Party Platform”) will be provided throughout the Datathon for further enhancements of the efficiency of the final results. Data modelling or any relevant work will be done by using respective laptop or device. The participant will adhere to the Code of Conduct during their usage of the 3rd Party Platforms, and shall be responsible for any cost, fees or expenses incurred due to any excessive or inappropriate downloads or usage of such 3rd Party Platforms.
3. Any and all expenses with respect to items (1) and (2) and expenses that are not expressly provided for herein including costs for travel, transport, food and beverage, accommodation, and obtaining valid travel documentations (including visas) are to be borne by the Participant.
4. The spirit of the society is to share and learn from each other. Robi strongly encourages an open source community of sharing. All Participants will be held to standard industry practices of collaboration, including appropriate acknowledgments of contributions of all parties. However, Participants who feel respective methods and systems are inventive and novel in nature and have filed Intellectual Property Rights for patent in Bangladesh or elsewhere shall inform Robi Axiata Limited accordingly and may refrain from using them during the Datathon.
5. Participants who do not adhere to the Terms and Conditions and Code of Conduct will be banned from the Datathon and disqualified. A good society is built on mutual respect.

The Participant will be solely responsible for such breach.
- iv. The Participant shall fully indemnify and hold Robi harmless against all losses, damages, costs and expenses sustained or incurred by Robi as a result of, arising from, in connection with or based on allegations of, any of the following:

- a. any damage to property (including third party property) caused by an act or omission of the Participant and/or its personnel in the course of participation;

any claim(s), action(s), proceeding(s) or demand(s) arising from a negligent act or omission, misconduct and/or misbehavior, violence or any other unauthorized activity of the participants.

6. GOVERNING LAW

The Terms and Conditions shall be governed by and construed or interpreted in accordance with the laws of Bangladesh.

7. WAIVER

No failure or delay by Robi in exercising any right, power or privilege under these Terms and Conditions will operate as a waiver or an estoppel thereof, nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power or privilege hereunder.

8. SEVERABILITY

If any provision herein is held to be illegal, invalid or unenforceable under present or future laws, such provision shall be fully severable and these Terms and Conditions shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof and the remaining provisions shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom.

9. ASSIGNMENT

The Participant shall not assign any rights accrued if any, under this Datathon Bangladesh 2019 or transfer their obligations hereunder without the prior written consent of Robi. Nonetheless, Robi reserve the right in assigning or transferring its rights and obligations under the Datathon Bangladesh 2019 and also reserve the right to do all that is reasonably necessary to give effect to such assignment or transfer.

10. RELATIONSHIP OF PARTIES

Nothing contained herein shall be deemed to create any association, partnership or principal and agent or master and servant or employer and employee relationship between the parties or to provide either party with the right, power or authority, whether express or implied, to bind the other party in any way whatsoever or to create any duty or obligation on behalf of the other party.

11. SURVIVAL

The Terms and Conditions which are expressed to or which by their very nature are meant to survive the termination or expiry of the Datathon shall so survive. Without derogation to the foregoing, this Clause 11 and Clauses 2, 3, 4, 5, 6, 7 and 8 shall survive the termination or expiry of the Datathon.

12. RIGHTS CUMULATIVE

Except where provided otherwise herein, the rights and remedies of each party are cumulative and are not exclusive of any other rights or remedies under these Terms and Conditions or in law.

13. AMENDMENTS TO THE TERMS AND CONDITIONS

Robi reserves the right to amend, modify or vary the Terms and Conditions, including without limitation the mechanism of the Datathon, at its sole discretion at any time and from time to time. The revised Terms and Conditions will be posted on <https://axiata.com/datathon/bd/index.html>. Robi has no obligation to inform them of any variations and they are encouraged to check such website from time to time for any variations in the Terms and Conditions. They agree to adhere to the mechanism of the Datathon and the Terms and Conditions including any variations.
